

Pasta for Pennies 2012– A Challenge has been issued!

Beginning January 30 and ending February 17th, the Middle School and High School will be in the midst of a change drive showdown to benefit The Leukemia and Lymphoma Society. The Leukemia and Lymphoma Society is the world's largest voluntary health organization dedicated to funding blood cancer research and providing education and patient services. Their mission is to "cure leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life of patients and their families." Over the course of three weeks, high school students will be competing against middle school students to see which school can raise the most money for LLS. A joint assembly is the works where the victorious school will be entertained the antics of the principal and staff of the losing school. In each building, the Advisory Period with the most change collected will receive a pasta party donated by The Olive Garden.

In addition to students bringing change, cash, or checks to school, family and friends can donate to the cause by visiting the following websites to donate online. Please make sure to enter your student's name or the name of your student's Advisory Period teacher in the appropriate box.
