Dear Parent(s)/Guardian(s):

Welcome to our school community! We are so fortunate that you and your child are becoming a member of our cardinal family. I absolutely love Warrensburg-Latham Elementary School and I know you will too.

Our motto at WLES is: **Work Hard. Be Kind.** We not only want to provide students with a rich educational experience, but also model and teach kindness. Our focus is to get all students reading on grade-level by the time they leave WLES. A strong reading foundation is essential in students meeting their educational and career goals.

My primary responsibility is to be the instructional leader of the building by supporting teachers and student learning. I make decisions based upon this focus to ensure we are always doing what is best for students. We are blessed to have a strong school community with high parental involvement which allows us to provide so many valuable opportunities to our students.

My advice to you is to get involved: join our PTA, volunteer, attend school events etc. I always recommend new families to join our Facebook group: Warrensburg-Latham Elementary School. Introduce yourself as a new family moving to the district and network with other families within the district with children the same age as yours. You will also be able to stay up-to-date on all the amazing things our cardinal family is doing!

I attended Warrensburg-Latham schools as a student in kindergarten-l2th grade. I am so fortunate to be able to serve the school that provided me with an excellent education and school experience. Please don't hesitate to contact me with any questions or concerns. It is my job to ensure your child is in a safe and loving school environment and learning so many great things here at WLES! You may call me at 217-672-3612 or email me at: wentworthl@wlcusdll.org.

With Cardinal Pride,

Laura Wentworth
