Relationship to student: _____

Consent to Self-Administer Asthma Medication

Illinois Public Act 098-0795 provides new directions for schools concerning the self-carry and self-administration of asthma medication by students. In order for students to carry and self-administer asthma medication, parents or guardians must provide schools with the following:

- Written authorization from a student's parents or guardians to allow the student to self-carry and self-administer the medication.
- The prescription label, which must contain the name of the asthma medication, the prescribed dosage, and the time at which or circumstances under which the asthma medication is to be administered.

A full copy of the law can be found at <http://www.ilga.gov/legislation/publicacts/98/PDF/098-0795.pdf>.

Each year IHSA member schools are required to keep a signed Acknowledgement and Consent form and a current Pre-participation Physical Examination on file for all student athletes.
